Yes, I agree to create art from a surfboard for the ARTREACH surfboard fundraising project, and to return the completed art piece to the ArtWalk/ArtReach office by April 1. I understand that following the silent auction of the boards at ArtWalk, April 27 and 28, I will receive 25% of the sales price and 75% of the sales price will support ARTREACH's Art Education programs in elementary schools that have no other arts education.

I also understand that if my art piece does not sell at the silent auction (hopefully this will not be the case) that I retain ownership of the board and must pick it up or make arrangements with the ArtWalk office to have it returned to me.
