

Food Vendor Application

April 30th & May 1st, 2022
Sat: 11am-6pm | Sun: 10am-5pm

Mission Fed ArtWalk is ecstatic to return to Little Italy for its 38th year. ArtWalk is a year-round program that culminates in a two-day event in the Little Italy neighborhood of San Diego. The event showcases the cultural attributes of the city and features hundreds of visual and performing artists throughout the event route. Our mission is to promote art, education and technology in the diverse cultural life of San Diego. The 100,000+ attendees that ArtWalk attracts include art enthusiasts and buyers, fellow artists, families and casual visitors.

The ArtWalk management team will review all food vendors who apply and they will be accepted based on type of food item sold, display tent and if they have participated with us in the past. All vendors will be notified of acceptance by **March 4th, 2022**.

Keep in mind that there is no electricity available at Mission Fed ArtWalk. Vendors are to provide "quiet generators" for any power requirements and all food vendors must have current and up to date San Diego County Health Permits, business licenses and certificates of insurance. **Applications without these documents attached will not be considered.** If you are a first-time applicant to Mission Fed ArtWalk, please include a photo of your food booth, menu items, and pricing with your application.

Space is very limited this year, as we'll be decreasing our amount of food vendors to promote physical distancing. Register early!

Returning Food Vendor applications will be given priority until January 14th, 2022.
